RPN Request Response: CSV Schema

Version
Version Date

1.0 Release Candidate 2
02/03/2020

Column Descriptions

Column	Description
Data Item	Name of data item
Description and Validation	Description of the data element and the validation rules that will be applied
Context	How the data element will be used by Revenue

Latest Version History

Version	Change Date	Element	Change Description
0.10	02/02/2018	N/A	Document published
1.0 Release Candidate 2	24/05/2018		Version updated to 1.0 Release Candidate 2
	02/03/2020	Employment Cessation Date	Item added
	22/01/2025	State Pension (Contributory)	Item added

Note on 'Conditional' data items:

Where the data item is applicable, the field is mandatory and must be completed. Where the data item is not applicable, the field is not required to be completed. For example, the Pensions Tracing Number field is conditional. This means that if the employer operates an employer sponsored pension scheme, this field is mandatory.

PAYE Modernisation – RPN Request: CSV file Response

RPN request: CSV file Response

Name	Column Name	Description and validation	Context
Employer Name	employerName	Header: Employer name, max length 100 characters	Use to identify the employer and confirm that the employer name matches with Revenue records
Employer Registration number	employerRegistrationNumber	Header: Used to identify employer to which the submission relates, max length 100 characters.	Used to identify employer to which the submission relates.
